

“Promoting active citizenship through collaboration and inquiry”

We are pleased to announce the launch of our updated website with new video and lesson resources to support busy teachers

@

<http://oessta-teachers.ca/>

- Watch videos relating to **Inquiry**, using Primary Source Materials and Disciplinary Thinking
- Access Resources that students can use to support their inquiries (every grades/strand)
- Explore our resource materials
- Explore our **French** videos, Cross-Curricular lesson plans and other resource materials that support student achievement

We'd love your help in getting the word out about our new teaching resources. Please pass this information on to the elementary social studies, history and geography educators in your organization.
